DISCLAIMER

Although we strive to be accurate, this brochure is published for information purposes only. Changes may be necessary to the content depending on levels of participation or other factors. A MESSAGE FROM THE SUPERINTENDENT

Dear Neighbor,

Summer is one of the best times for parks and recreation. Our beaches are dotted with volleyball players and sand castles, our lawns are full of picnic blankets and laughing children and our pools are inundated with swimming kids and seasoned divers. For those reasons, summer is also one of our busiest times of the year.

Due to unprecedented high temperatures and beach attendance in 2015, we'll be opening two swimming beaches early this year. Madrona Beach and East Green Lake Beach will open on May 28, weather permitting, while all other beaches will open for the season on June 25.

2016 is also the first year that the department will start collecting property tax through the Seattle Park District. Seattle Parks and Recreation will collect \$47 million annually to support programs and initiatives. For 2016, some Park District highlights include:

- **Programs for People:** More staffing and services at community centers, teen programs, lifelong recreation programs and special populations programs that began in 2015.
- **Fix it First:** \$25 million to reduce our major maintenance backlog and restore our urban forests.
- **Maintaining Parks and Facilities:** Increased park maintenance and preventative maintenance.
- **Building for the Future:** Planning and development for five of the 14 park sites acquired and "land-banked" with 2008 Levy funds.

We appreciate your support of Seattle Parks and Recreation throughout the year. I look forward to seeing you exploring our parks this season and hope to do some exploring of my own. Follow me at @SPRSupt on Twitter to watch my summer unfold and share your adventures with me!

Sincerely,

Jesús Aguirre, Superintendent

ACCESS AND SAFETY POLICY

CODE OF CONDUCT

Any participants conduct that is disruptive or unsafe to participants or staff may result in being sent home early that day or unable to attend on a permanent basis for the quarter.

This will be decided on a case-by-case basis and is at the discretion of the program leadership staff. Such conduct includes, but is not limited to: Destruction of property, harming oneself or another, or refusal to follow the minimum safety requirements to participate in activities. All incidents will be documented and reported to direct caregivers in a timely manner.

IMPORTANT INFORMATION REGARDING ACCESS SERVICE

The Americans with Disabilities Act (ADA) requires that transit agencies like Metro and Sound Transit make their bus and rail services user-friendly for people with disabilities. The ADA also requires transit systems to have a paratransit service when someone can't take the bus or rail because of their disability. In King County, ADA paratransit services are provided by Metro's Access Transportation Services.

SERVICES OFFERED BY ACCESS

Subscription Service

This service is great when a participant wants to set up a ride to the same destination, at the same time, every week. Please state that you are going to a Seattle Parks and Recreation Program, and it can be set up for you immediately.

Door-to-Door

The driver will walk the participant to the doorway of the destination.

Hand-to-Hand

The driver must deliver the participant to the appropriate person at the destination. If you use this service, please have participants locate "Specialized Programs Staff".

To apply for these services, please contact Access Customer Service:

206-205-5000

TTY: 206-749-4286

USING ACCESS FOR SPECIALIZED PROGRAMS ACTIVITIES:

We have had increasing numbers of participants coming to and from programs via Access Service. Due to this increase, issues have been raised that we would like you to be aware of when making arrangements for Access rides.

1. Each program in our brochure has a stated Access "drop-off appointment time" and a "pick-up window". When you schedule your rides, please request only these stated times! Please note Access has "drop-off windows" and they have "drop-off appointment times". Please use only the "drop-off appointment times" for our programs.
2. Please remember, if a participant arrives too early, the facility may not be open or Specialized Programs staff may not have arrived yet. If a participant's pick up window is scheduled late, it will affect other programs that are following theirs.
3. When you register for programs, please state if the participant is going to be using Access to and/or from program.
4. If there is a consistent problem with early drop-off appointments or late pick-ups, we will call you to discuss the situation.
5. If you have any questions about our specific Access appointment times or pick-up windows, please call Specialized Programs at 206-684-4950.
6. If you have problems with the Access Service, please call Access at 206-205-5000 (TTY 206-749-4286) and talk with their Customer Service staff.

SCHOLARSHIP APPLICATIONS AVAILABLE

This year Specialized Programs has a significantly increased scholarship fund. For the first time we are offering scholarships to year round programs for Adults and Youth. We are encouraging everyone to apply to receive reduced registration fees. Scholarships can reduce the amount to be paid on registration fees starting from 50% up to 90% based on total annual income and number of people supported on that income.

To request a scholarship form, or if you need assistance completing one, call Tim Pretare at 206-615-0140 or go to www.seattle.gov/parks/specialpops/.
